

## STS. PETER & PAUL CHURCH LAITKYNSEW PARISH

Dear friends and Benefactors of GIPP,

Greetings and Prayers to all the members of GIPP family. I Mr. Kordphrid Diengdoh and Mr. Pedison Sangma, the representatives of 290 families who received help from the Parish Laitkynsew, would like to express our sincere gratitude to all the members of the GIPP and the benefactors for your generous donation for us. Most of us are depending on the Lime stone quarry for our livelihood. Since February 2020 the Lime stone quarry was closed due to a communal problem and it was hard time for us to get employed. The spread of corona virus added further more difficulties. We had been lock down for more than three months, we who have not yet got the ration card from the government had faced the real problem even to meet our daily basic needs like rice and essential commodities. Your donation had really benefited by all of our families. We are happy and thankful to the parish and to all of you dear friends of GIPP for your kindness and generous heart to help us in this time trouble. We hope and pray that the things become better for us.

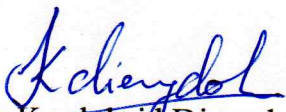

We are praying for you all that the Lord may always keep you in good health and reward you for your generosity.

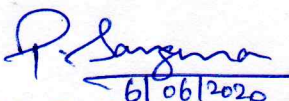

God Bless

Yours sincerely

Representatives of the families

Laitkynsew parish
